

March 09, 2026: Letter to Dustin Burrows

Dustin,

My name used to be Dustin too. Unfortunately, I had to change my name to live out my destiny as the second coming of Jesus Christ himself.

See, like Jesus, my own government has decided to devour our homeland in favor of its own growth and expansion. Jesus was the victim of an out-of-control evil that sentenced him to crucifixion. In the same way, my hands are bound and my feet are bound to a cross that I am unable to free myself from because of the incompetence of the leadership in Texas and America.

If you read the Bible closely enough and study your history with enough understanding, you will see that our country is being taken from us in the exact same way that Jesus' kingdom was taken from him.

In my family's history, we are the direct descendants of numerous kings and queens and royalty from all over the history of Europe. I can directly trace my personal bloodline through Great-grandparents of the nth degree directly to the crown of France, Germany, Italy, and more.

However, in my lifetime, as I worked to become an attorney at law to do something that had never been done in my family in any recent generation, I truly tried my very best to stay on the right side of law and history so that I could make the most out of the opportunities that I was so generously provided in my life.

The result of all of my efforts to stay on the right side of law and moral righteousness was to find myself on the wrong side of a criminal government that had been taken over by - what appears to be and can only be described as - Freemasons, secret criminals, fakes, bad actors, pedophiles, and general law-breakers and villains of every sort.

As I grew into my position in life I have come to discover that the entire government is not full of honorable individuals carrying out their duties to us People as our representatives. I have come to personally discover and experience that our government is a large gang of illegal spying, attempted extortion, rape, molestation, abuse of families, abuse of powers, abuse of process, and the list goes on and on and on.

I am writing to you now to personally inform you that YOU ARE THE LEADER OF THE TEXAS GOVERNMENT THAT IS TASKED WITH CARING FOR MY RIGHTS AS A CITIZEN OF TEXAS. YOU, PERSONALLY, ARE HOLDING THE BAG OF RESPONSIBILITY FOR RUINING MY LIFE AND CHANCES OF SUCCESS IN AMERICA.

I simply cannot succeed under the current conditions of life in Texas, United States of America. Your party is the party in 'power' and your party is the party of the leader, Donald Trump (a convicted felon), that is criminally lording himself as an evil spirit haunting over my life.

I want you to know that for all of your success in life, Dustin. This Dustin received another disappointment, another lost chance to reach his potential, and another lost opportunity to bring my gifts into this land of lost souls.

I studied the Bible, Dustin. I studied the law, Dustin. I followed the Bible, Dustin. I followed the law, Dustin. And you know where it led me, Dustin?

It led me to change my name to Chris Noel Carlin, King of the world, second coming of the Messiah. Because I truly deserve the titles by both blood and merit. You, Dustin, do not deserve to be the 'Speaker' of my house in any way. I fully reject your right to 'speak' on my behalf because you, and your party of criminals can NOT SEE my suffering and can NOT SPEAK about the loss of life, liberty and pursuit of happiness that I have experienced under the government that you currently compose and represent.

I want you to understand this personally, Dustin, because I too was once a Dustin. And now, I have to suffer the life of Christ, the anointed savior of our city, state, country, and world.

As the Christ, I am performing my civic duty by engaging in an ongoing act of futility that 'writes to his representatives' for their help with a major criminal enterprise that is coming out of the interior of his government to haunt him, control him, harm him, and hide him from the view of those around him that could and should be helping him.

Do not call yourself a Christian, Dustin. Do not represent yourself as a Christian, Dustin. Because you are not representing the values of Jesus or myself as we both suffer the same fate under a pile of evil - suffering, loss of our life, and being bound to a cross that we cannot escape.

Dustin, you can keep the name on my behalf and you can wear it as the 'Speaker' of the Texas House of Representatives. But, do not fail to remember that a couple of Christs have risen above you to lead you to a better world - and yet both times you failed to follow their leadership and path.

I hope that this message brings home the truth of what your failures to stand up for our rights has caused us in our life. While you live a life of luxury, honor, privilege, and respect, people like myself that are, in fact, your betters, continue to fall further and further into a pit of hell that you all are creating.

May you find God, any Christ at all, and a better way,

Kindest regards,

Chris Noel Carlin,
a/k/a Dustin
